

Friday Night Compline 2024

Friday Night Compline began almost five years ago as a way for the people who had worshipped together regularly on Sunday nights as the Live at Five folks to continue a form of corporate worship during the Covid pandemic and lockdown. For the last four+ years, we have met every Friday. At our peak, over twenty people attended regularly. Our numbers have shrunk considerably, and our focus has changed. We seem to be shifting to a community that celebrates fiestas either at St. Michael's or in the homes of people in the community, summertime last Friday eucharists in a beautiful backyard setting known as The Oasis while maintaining a Friday Compline presence on Zoom. In the next year, we likely will move to a once/monthly zoom compline while maintaining our fiestas and summertime functions at the Oasis. We are grateful to the many members of our small community who have served as compline hosts, leaders, and readers.
