

The Altar Guild

The Altar Guild has been an integral part of the Episcopal worship services since the 1900's. We have a small devoted community from the parish that sets the table for Eucharist. We care for all vessels, patens(plates) and linens. This is an important behind the scenes service. If you feel the call to the join us please contact John D Teel at 505-385-3425 or teelaccounting@icloud.com. We offer lots of free training, you will be paired with other experienced staff so you will never be left alone and no previous experience needed
