

Barbara Koenig

My name is Barbara Koenig. I am running for Vestry as a member of the class of 2023. I have been a member of St. Michael's for over 30 years and while raised as a Catholic found our church to be a much better fit for my inquiring mind.

I am married and am the mother of two grown children who live here in Albuquerque with their significant others. At the moment, none of my close family goes to St. Michael's. I am a "almost retired" attorney, who lives in the North Valley, grows a large garden, and walks my dog daily along the ditches of Los Ranchos.

I have been on Vestry twice in the past, once about 1998 – 2001 and once about 2015- 2018, during the time Father Joe Britton became our new rector. In the past I have held a number of parish positions, including Treasurer, Junior Warden, and Senior Warden. I am currently Chair of the Finance Committee, the committee that takes a deep dive into our monthly and yearly finances and advises the Vestry on financial decisions.

I have enjoyed serving on the Vestry in the past because I was able to help guide the parish in new directions and ministries and help in the transition to a new rector. I ask for your vote at the Annual Meeting and will endeavor to serve faithfully and thoughtfully if elected.
